

## Charlotte County “Eco” Kids Kollege Summer Program Scheduled for July 26<sup>th</sup> – July 30<sup>th</sup>

The Southside Soil & Water Conservation District, Charlotte County Extension Office, Old Dominion RC&D, and Charlotte County are partnering once again to offer Eco Kids Kollege, a one week, half-day program for children ages nine through twelve. This year Eco Kids Kollege students will spend the week learning about local wildlife and animal habitats while enjoying games, crafts, and other hands-on activities. Special events planned for the week include a presentation on animal track identification, a habitat scavenger hunt, and [The Wildlife Center of Virginia's](#) “Home Sweet Habitat” program featuring live animals.

Eco Kids Kollege will be held July 26<sup>th</sup> through July 30<sup>th</sup> from 9 a.m. to 12 noon at the Heartland Regional Business Park in Keysville. The cost is \$30 per student and pre-registration is required. [Registration forms](#) are available on-line and at the County Administration Office. For more information contact the Charlotte County Administrator's Office at 542-5117.
