

Notice of Charlotte County Real Estate Reassessment

Charlotte County is in the process of conducting the General Real Estate Reassessment effective for July 1, 2019, as required by the Code of Virginia.

Pearson's Appraisal Services Inc. was contracted by the County to perform this service. Pearson's employees will be verifying data on county property records and capturing digital images of dwellings and other significant structures. This work will primarily be accomplished from the appraisers' vehicle using data collection technology. The appraisal staff will also make on site inspections when additional data is needed. Appraisal staff will wear picture ID's and vehicles will be marked with "County Reassessment" signs. In addition, the names and vehicles of all appraisal staff will be on file with the Charlotte County Sheriff's Office.

If you have any questions regarding the reassessment, please contact the Commissioner of the Revenue's Office at 434-542-5546 or the County Administration Office at 434-542-5117.
