

Minutes of the June 22 Charlotte County Electoral Board

The Secretary and Vice Chairman of the Charlotte County Electoral Board were present at a softball game at Randolph Henry High School softball field Tuesday evening June 22nd and electoral business was discussed. The Vice Chairman of the Board asked the Secretary if the Board was still meeting on the 24th. The Secretary informed the Vice Chairman that he had received a text from the Chairman the night before that after the Democratic Party meeting on that night she felt the meeting on the 24th should be postponed. The Secretary said he didn't understand why the Democratic Party meeting would affect the Electoral Board meeting. The Vice Chairman said Aubrey Fane had threatened to pay a lawyer if Eric wasn't given the job of Registrar at the meeting on the 24th. He seemed to be intimidated and concerned by the statement that had been made at the Democratic Party meeting.
